Dear Colin

BUTT BINS & POCKET ASHTRAYS

First of all I must congratulate you on the success you are having with your Butt Bins. We here at Keep Rotorua Beautiful are proud to be associated with your company and are currently enjoying the success of having these butt bins installed not only in the main city area but also at pubs and bars in the suburbs. Their neat design and ease of cleaning make them very appealing.

Lion Foundation were extremely generous with their donation which enabled us to purchase these items which of course are a benefit to all Rotorua residents regardless of whether they are smokers or not.

The pocket ashtrays have also been a success and there has been little resistance to sales around pubs and bars.

Finally I would like to thank you for your support of Keep Rotorua Beautiful and I will continue to promote your products at every appropriate opportunity.

Yours faithfully

Christine Findon
